LIFE STARTS WITH QUALITY CARE

FEATURING: BE ON TOP OF YOUR GAME • PERFECT 10 OMEGA • GOOD GUT HEALTH

FOR EVERY WOMEN'S NEED.

Good supplementary care for all women.

Good nutrition is a key pillar of a healthy life and women's bodies have different nutritional needs to support physical and emotional changes throughout her lifecycle. In essence, women's unique nutritional needs are not to be overlooked.

Support Hormonal Balance

Women experience a significant change from puberty to adulthood. Experiences of menstruation cramps, acne problems and PMS becomes more prevalent. **Kordel's Evening Primrose Oil 1000 mg + E200 IU** is a formula combining the benefits of cold pressed evening primrose oil (EPO) with 10% GLA (Omega-6 fatty acid) and a potent and better absorbed form of natural Vitamin E in one softgel. EPO helps greatly in relieving premenstrual cramps and PMS. Vitamin E is a potent antioxidant that protects cell membranes, helps prevent free radical damage to the body.

Intimate Essentials

High work stress and motherhood could put a lot of stress on women.

Kordel's Organic Soy Isoflavones is a potent plant-based, standardized formula containing all-natural plant estrogens (isoflavones), derived from 100% certified organic soybeans. **Kordel's Organic Soy Isoflavones** shapes and firms breasts, keeps skin radiant, regulates the menstrual cycle and alleviate menopausal discomfort. It enhance natural vaginal lubrication keeping it at good PH level thus reducing the chances of infection and vaginal dryness.

Managing Urinary Tract Infections (UTI)

50% of women experience Urinary Tract Infections (UTIs) at least once in their lives. **Kordel's Hi-Strength Cranberry 18000 mg** is formulated to optimize urinary tract health. Cranberries, long known to be a superfood due to its high nutrient and antioxidant properties which helps to keep infection at bay. Enjoy the goodness of cranberry without sugar conveniently in just 1 capsule.

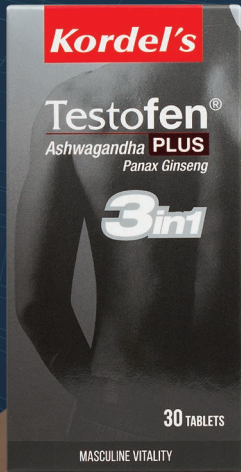

Optimal Beauty Care

Environment and age, together with

years of using harsh cleansers and cosmetic products could cause the skin to be dry and sensitive. Two of Kordel's leading beauty supplements provides just the right supplementary care to help rebuild and support healthy glowing skin for years to come.

Ceramides makes up 40% of the intercellular skin lipid membranes. Reduced levels of Ceramides can cause skin conditions such as dry skin or hypersensitive skin. **Kordel's Ceramide**, is clinically found to be the most potent ceramides that help repair the skin's barrier and limiting moisture loss to help significantly support a healthy glowing skin.

Kordel's Sakura Extract 150 mg is the perfect skin whitening supplement. Sakura extract, helps stimulate your body's own production of collagen strengthening connective tissues that support firmer skin. Rich in antioxidants, retaining moisture and protecting against skin damaging factors like UV radiation, thereby achieving a healthier complexion.

PERFECT 10 OMEGA

When our body can't produce the fats it needs, good supplementary of essentials fats could be the way forward.

Omega-3 fatty acids ((Eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA)) are an integral part of cell membranes throughout the body and affect the function of many physiological processes in the body, from regulating blood flow, to contraction and relaxation of artery walls and inflammatory responses, all of which are crucial for optimal eye, heart, skin, and cellular health. Omega-3 fats' little known cousin, Omega-7, is also known for its other health-promoting traits. This fatty acid plays an important role of regulating metabolism, shutting down inflammation and promoting normalization of lipid profiles. As such, consumption of Omega-3 and Omega-7 fatty acids - the perfect 10, is the secret to optimal health.

Kordel's rTG Omega 3 + Vitamin D is a high potency, purified formula with concentrated levels of Omega-3s. Its concentration is up to 80%

compared to most commonly available Omega-3 which has only 30%. With 500 IU Vitamin D3 for additional bone, mood, and immune support. rTG (Re-Esterified Triglycerides) provide superior absorption and offer extra strength of a standard 1-a-day smaller in size capsule, making it ideal for intensive support for eye, brain and cardiovascular health.

Kordel's AlaskOmega® Omega-7 Concentrates uses sustainably-harvested wild-caught Alaskan Pollock, which delivers up to seven times more skin-nourishing Omega-7 fatty acids as compared to other sources, strengthening your skin's elasticity and improving skin's collagen levels and hydration. Research have shown good effects of skin regeneration and acceleration of wound healing, thus making it a functional inner beauty product for optimal skin health.
